SUBSCRIPTIONS

Subscriptions are now due for the 1976 financial year. These should be paid on or before the 31st July, 1976.

Please fill in the enclosed form/s and return to the Registrar together with the appropriate amount for your continuing membership with the W.A.Q.H.A.

This year members will receive a membership card (which are now being printed) stating that they are financial members.

Keep these cards with you especially when entering for shows and Points Days, as financial members only are eligible for these events.

NEWCOMERS

This month we have news of a newcomer to the Quarter Horse "family" of W.A. Although not yet on the Australian scene.

His name is SPECK DECK LEO owned jointly by Mr. R. Neuman and Mrs. J. Cornish.

A little of this fine stallions breeding is shown below:

Sire: FLYING SPECK

SPECK DECK LEO

Dam: LEO VADA'S LEO

This horse has won five championships and 10 points for both halter classes and performance.

SPECK DECK LEO is now standing at Mr. R. Neuman's "Dakota Stud".

## RAFFLE

The W.A.Q.H.A. is conducting a raffle to raise funds for the Association. We are hoping that everyone will do their part in helping to sell the tickets. We should with everyone's help be quite able to sell the 2000 tickets that are being printed.

All prizes for the raffle have been very kindly donated by :

Mr. B.R. Coppin, A.W.A.-Thorn and  
J. Tyler & Co.

Prizes are:

- 1st prize 12" National portable A.C. D.C. Television set. Value. \$139.00
- 2nd prize Digital clock/radio. Value \$45.00
- 3rd prize Hotpoint vertical griller. Value. \$39.95

As you see we are catering for the community as a whole, not just those people connected with horses, so this should make the tickets easy to sell. Tickets will be distributed to all members. Let's all pull together in an effort to raise the funds needed.

Tickets will be in books of 20 at 50c each.

Our goal is to raise the total amount possible of \$1000.

Let's give it a go!

## ANNUAL GENERAL MEETING

This year's Annual General Meeting is being held on Saturday 7th August at 2p.m. in the Stirling Room of the Parmelia Hotel, Mill St, Perth. So keep this date free!

We are hoping for a record attendance at this meeting, after all why have a vote and not use it? Following the meeting will be the convention Dinner.

This year we have tried to cater for families and people from the country who find it impossible to come to these functions.

The Hotel has given us greatly reduced prices

on all accomodation.

Double, Single or Twin rooms are:

1st Night \$20.00

2nd Night \$16.00

For members with children, a Family three persons, or for those of you who would like a single suite prices are:

1st Night \$30.00

2nd Night \$24.00

Anyone wishing to bring more than one person to the hotel will quote prices for your accomodation also at a reduction. The hotel can also provide babysitters for you while you are downstairs having the dinner and dancing ( of course they will be given a few days notice). Sound good?

The tickets this year will be \$15.00 for a single and \$28 Double, house wine included. All on a cash basis.

Expensive? Not really there aren't many places where you can go for dinner these days for less.

There is only one Convention Dinner and we want to make a success of this year's!

Write to the Registrar for your tickets and come along for a great night.

## EDITORIAL:

Over the past few months we have been receiving many complaints about the Association, not only the administration, but also over the running of events.

Any person with a bona fide complaint is quite within their rights to write a letter to the Registrar, this will then be forwarded on to the Committee and the complainant will be invited to the next meeting to voice their grievances.

Unfortunatley it seems, these people are not willing to stand up and do just this, and so we are forever hearing gossip which cannot be substantiated by fact.

It is very hard for any organization to continue to function efficiently while this sort of thing goes on. Pleas try to understand, the Association is being run for the good of all, not just a few.

Although it is always the same few we see doing all the work at Points Days etc. For the most part members cannot be bothered to help in any of the preparation for the events, but are always ready to criticise the work done.

If you are not happy about anything, let us hear from you. You may have just the solution to the problem.

REMEMBER that criticism is no good unless it is constructive.
